
Looking for a story

Hi all--Looking for a story that used to be available on the Old Archive. I'm sure it's still there, but I can't remember the name anymore, and going to the old website just gives me a blank page.

Anyway, story is about a guy whose name starts with K, I think. Over the course of a couple days, his girlfriend reduces him to physical and mental infancy. I know there's a scene where he gets made fun of by "peers" at a park for wetting himself or something similar, and one where he protests at being diapered after messing his training pants. A cell phone is a plot device, and there's a scene where he's looking for it as his mental regression finishes. I know that last part sounds like Sebtomato's "Learning to be Good," but it's a different story.

Anyone have any ideas?

Do you remember any words of the title or author name? It would greatly help pinpoint it.

I don't, unfortunately--I think it was listed as Anonymous by the time I found it in 2012 and I haven't seen it since then!

Hmm, it's not Back to the Basics, is it? Names are Kurt, Lucy, it involves a age-changing prototype.

I think it's a Jennifer Lorraine story, with milkshakes as the device (cell phone, too...); the husband goes for a walk when looking around 11 and gets teased... not sure which story specifically but maybe this helps.

Hmm, sorry guys I know it's not a JL story and not GIL--I looked down the mirror site's story list and didn't find it either, so

maybe my mind is just playing tricks on me! Thanks for your help.
