## Old cartoon AR

Posted by Magetim - 2017/03/15 17:54

---

There is an old episode of "The Flintstones" where the Great Gazoo tells Fred that women need to be treated like children and at the same time Betty and Wilma conclude that men need to be treated the same way. When Fred gets home, he and Wilma have an exchange where each treats the other as a child in turn.

Here is the link to the episode. The regression is about 6:30 into it.
